

vital baby®

pots & bowls

pots & bowls

Our range of freezer pots, food pots and bowls are perfect for freezing, storing and feeding your baby's food from around 4 months.

Each pot or bowl has been designed to make feeding your baby safe and easy whether at home or out and about.

INSTRUCTIONS FOR CARE AND USE
IMPORTANT! READ THIS INFORMATION BEFORE USE:

Cleaning & Care:

Wash in warm soapy water, rinse in hot water and air dry before using for the first time and after each use. Vital Baby® pots and bowls are all top rack dishwasher safe and can be sterilised by all sterilising methods. Do not use abrasive or solvent based cleaning agents as this may cause damage. Store in a dry, covered container, out of direct sunlight, when not in use.

For your baby's safety and health WARNING:

- Always use this product under adult supervision.
- Before first use, inspect the product. Throw away at the first sign of damage or weakness.
- Keep all components not in use out of the reach of children.
- Always check the food temperature before feeding.

This product conforms to BS EN 14372 standards.
